Messy Monkey

Babies have enjoyed lots of water play in the sunshine! This has encouraged them to say single words such as 'splash'. They have also had lots of different colour mixing activities!

Toddlers have enjoyed sand play to make sand castles like some of us have done on our holidays! They also made their very own ice-cream paintings using potatoes!

Minis and pre-school have had lots of different activities such as shape printing and painting with shaving foam! They have also enjoyed lots of ice play in the heat! They explored ice numbers with different items frozen inside!

Monkey Puzzle Eltham Lending Library

We are pleased to announce that we now have a Library Box in our reception area for parents and children to use.

Please help yourselves to a book to take home and read with your child.

We have also started a multicultural lending library (which is also located in reception) and there will be a variety of different children's books available in different languages, for children and parents to borrow.

Can we kindly ask that parents sign the books in and out on the clipboards provided in the areas and that books are not borrowed for longer than a week at a time.

We hope you all enjoy the new home reading scheme!

Monkey Chef

Babies have enjoyed making cupcakes. When doing this they mixed lots of different colours together!

Mini and Pre-school have been made their very own pizzas! They chose what ingredients they wanted to put on the top and then put them in the oven! Once they were ready, they ate them!

Toddlers have been helping water our vegetables! They then picked a cucumber and tried it!

Book of the month

Babies book of the month was 'rainbow fish' they all enjoyed exploring all the different colours in the book and made their very own rainbow fish!

Toddler's book of the month was "around the world" They looked at all the different places that people had been on holiday!

Mini and Pre-school book of the month was 'going to school' this was to help prepare all the children who are going to school.

Fun in the garden!

Babies have been getting very creative with all the different colours in the garden! Loran also made a loose parts wall for the babies to explore! This month they have even made a Dino corner to make the garden more exciting for the babies and they loved it!

Toddlers have been enjoying lots of water play in the garden due to the hot weather! They also had lots of fun on their trip to the park. During their trip to the park, they learnt about road safety and explored different types of natural resources!

Mini's and Pre-school have been really enjoying water play in the garden! They have also made lots of sand castles in the sand pit!

Makaton sign of the month!

We have been working hard to implement Makaton across the nursery and it's going amazingly!
