Early Talk boost

3 times a week, the children in pre-school will play games that are lots of fun and will encourage them to:

- develop their confidence
- learn and use more words
- share new songs and books together
- make new friends

In talk boost the children looked at their senses. They started off putting two fruits in a bag (an apple and an orange) and they closed their eyes and felt the fruit and attempted to guess what it may be. Following this, they put some yogurt and some banana in a bowl and they focused on what they could smell, feel, hear and taste!
